

CNPC Well Control and Emergency
Response Center has appointed
Dynamic International as their
exclusive global representative of their
services.

This allows Dynamic International access to all CNPC – Well Control Emergency Services Company and Snubbing Services Company CCDC (CNPC Chuanqing Drilling Engineering Company Ltd.) equipment and personnel as required, introduce new technologies, methods and innovative state-of-the-art well control response equipment to our customers.

Each of Dynamic and CNPC Services
Team members have years of "hands-on"
experience managing complex well
control emergencies and well
intervention around the globe.
